Issued by [Media24 Lifestyle](#)

12 Apr 2021

The pandemic has turned the world upside down and has significantly altered the wants, needs and values of consumers. The way they use media, shop, look after their physical and mental health, get involved in important causes and interact with the environment has changed, and now the big question is: Are these changes here to stay?

The poster features a vibrant, abstract background with geometric shapes and tropical motifs like palm leaves and flowers. The year '2021' is prominently displayed in large white numbers. Below it, the text 'trend talk' is written in a lowercase, sans-serif font. To the left, four headshots of the speakers are shown, each with their name and the publication they represent: Suzy Brokensha (FAIRLADY & LOSE IT!), Michelle van Breda (SARIE), Wicus Pretorius (TUIS|HOME), and Khosi Zwane-Siguqa (TRUE LOVE). The event details 'THURSDAY 15 APRIL // 11:00 VIA CROWDCAST' are listed on the right. At the bottom, a paragraph of text repeats the introductory paragraph from the article.
