In his letter to the country this week - From the Desk of the Presidency - our president focused on climate change and the steps we are taking as a country towards a just transition to a low carbon economy. His Excellency has declared Monday, 1 November 2021, a public holiday so that we will all be able to get to the ballot boxes - and earlier this month he extended his warmest congratulations to our icon, Archbishop Emeritus Desmond Tutu, who celebrated his 90th birthday.

It is a busy month for our public sector leaders, with H.E. Ramaphosa attending the inaugural Vooma Vaccination Campaign activation, at the DH Williams Hall. His Excellency delivered the eulogy at the official funeral of Deputy Minister Prof. Hlengiwe Mkhize, and was on site to assess the development of infrastructure at the Msikaba Bridge, Lusikisiki, Eastern Cape.

Whether you are in the public sector, the private sector, supply chain or an interested individual, *PSL* has something for you.

We hope you enjoy the read!
