20 Apr 2022

The Top 10 finalists for the 2022 GreenPitch Challenge have been chosen. These green economy innovators will now be preparing to pitch to a panel of judges on 5 May, at an event hosted by GreenCape in partnership with the City of Cape Town's Invest Cape Town and The Business Hub. The pitch event will be attended in person by invite only, and will be streamed via Zoom Webinar. [Register for the Zoom Webinar here.](#)

The 2022 GreenPitch Challenge Top 10 finalists, chosen from ~150 inspiring entries, in no particular order, are:

In the pre-venture category:

- Rudi Kriel (electric mobility) – GoMetro
- Warren Barnard (plastic alternatives) - MushNet Mycelium Packaging
- Rich Sibusiso Hlatshwayo (circular economy) - Me2you (a food sharing solution)
- Farai Dziike (water) - Waste water treatment technology
- Chris Nganga Kimaru (water, sewer and storm water networks) - Manhole Protector Grid (MPG)
