Issued by Media 24 Lifestyle 16 Jan 2024

Year after year, one of the biggest trends fitness trends of the global industry remains group workouts. A group workout brings together the two biggest hitters in fitness – community and endorphins! And when South Africa's biggest workout party returns to Grand West casino on 17 February 2024, you'll get loads of both.

The endorphins will come in the form of five back-to-back express group fitness classes, featuring some of the country's most legendary personal trainers. The programme kicks off with an energising warm-up with Rockstar Fitness's Ceri Hannan. Ceri's routines are legendary – he puts together a bespoke playlist that is designed to get the blood pumping and the feet stomping.

Warmed up? Get ready for Queen Fitnass, Mapule Ndhlovu. Mapule is the real deal – she is a personal trainer, HIIT aficionado, fitness brand ambassador and social media inspiration. She is beloved across the continent for her infectious energy and her challenges – just try skipping with her and you'll understand! Mapule will host a HIIT class set to Saturday Night Fitness's resident DJ Junglegum's epic tunes.

Then the line-up slows down with a sunset yoga session led by Earth Child's Noks Jada, followed by a 'Love Your Body' dance workout with the crew from Takkies' Rockingheels. And before you set the night on fire, we'll welcome Fitness Icon from Jozi. Mac-D and Miyagi are a super creative, high energy cardio dance duo that bring major vibes, killer moves, a

brilliant soundtrack and so much spirit to the finale.
