

AFDA Annual Students Film Festival

Issued by [AFDA](#)

17 Nov 2008

AFDA is about to have its Annual Students Film Festival. This has always been the debut platform for big international AFDA winners!

The AFDA festival is an opportunity for the industry, press, the general public, parents, prospective students, and current students to view the third and fourth year graduate productions.

Members of the audience are asked to evaluate third and fourth year graduation productions on an audience response card. This audience response score counts towards the student's end-of-year mark. We statistically analyze the audience response to enrich our curriculum. This ensures that AFDA generates graduates who can entertain an audience at professional standards.

As an exercise in event management, the AFDA student body is entirely responsible and empowered to arrange the festival. It is a glamorous event and lots of fun.

All are welcome to this carnival-like feast of entertainment excellence.

THIS YEAR THE FESTIVAL WILL BE HELD IN:

- Johannesburg at Cinema Nouveau in Rosebank Mall from 21st-23rd November
- Cape Town at Cinema Nouveau in Cavendish Square 27th-29th November.

If you wish to find out more about the festival contact AFDA in JHB or CPT at (numbers and email pls).
