Scan Display Solutions has ended the year on a high note with five wins at the Exhibition & Event Association of Southern Africa's (EXSA) year-end function held at Expo Centre on 13 November 2008.

The winning Three Cities stand at Tourism Indaba.

"It was a fantastic achievement to win five awards out of a possible 11. This has never been done before by any company in our industry so we are justifiably proud. To date Scan has also won the most EXSA awards in Association's history," said Justin Hawes, Scan MD.

The EXSA awards recognise excellence for EXSA members in their various fields of expertise and are aimed at generating an awareness of the importance of quality of service to the exhibition industry.
