Thirst would like to extend their season's greetings to everyone across South Africa. We hope everyone had a happy new year and a merry Christmas. Thirst Bar Services were around throughout South Africa serving up cocktails at year-end functions, private parties, Christmas parties and new year's bashes, helping to make the season as festive as possible and adding a touch of class and finesse to every function.

Thirst Events

Just a couple of over 300 events Thirst Bar services did over the festive season as well as being asked to appear on the *Noleen on 3* TV show on SABC 3 to demonstrate to the country how to make some of our most sought-after signature cocktails.

Mainstay event, Llandudno beach, Cape Town

Thirst Bar services together with Mainstay Premium Cane held a party on the beach for all their clients. Thirst went all out on the bars bringing in their famous Bartenders Market: people could pick and choose certain ingredients to give to the bartenders who would then whip up classic cocktails such as Mojitos, Pina Coladas, Caipirinhas and Daiquiris, but with a twist, that being the fruits and ingredients added by the clients. Thirst even added a special touch to the Pina Coladas by serving them in coconut shells. This was an unforgettable party with Thirst going beyond everyone's expectations.

Nicki beach - hosted by Alan Ford

One of the most upmarket functions to be held over the festive season in Cape Town. Held at a house on Third Beach, Clifton, this function was attended by 500 people although originally it was intended for 250. Thirst Bar Services coped admirably with the additional people and everybody who was anybody in Cape Town that night was treated to one of the most fun and exciting parties in town. Alan Ford and Thirst really know how to throw an exclusive bash.
