The Gauteng HOMEMAKERS Expo is set to make your dream home a reality when it opens its doors from 18 to 21 February at the Coca-Cola dome.

Apart from the 620 stands showcasing the latest in home lifestyle, the expo also highlights consumer trends with some exciting new features. In the **Green Living area** you will find eco-friendly products. At **Décor on a budget** six top designers show you how to achieve creative brilliance without breaking the bank. Young creative artists will illustrate their latest work in the ever popular **Future of Design**. Visit the expo to get those creative juices flowing and be inspired on how to visualise a living space that you can create yourself! Handmade is the way to go for 2010!

A whopping R1 million in prizes will be won in association with this year's Gauteng HOMEMAKERS Expo! Builders Warehouse and Builders Express are offering endless home improvement possibilities, which can now all be yours for FREE! Visitors to the HOMEMAKERS Expo are given the opportunity to win one of two **R150 000** home improvement vouchers from Builders Warehouse.

Now in its 17th year, the Gauteng HOMEMAKERS Expo is the country's largest and most representative home improvement exhibition. This is the prime reason why the HOMEMAKERS Expo platform continues to be such a success; where else would you be able to address all your home improvement needs all under one roof and in a short space of time? And what's more, you will be able to have face-to-face interaction with the experts and compare offerings from various companies.

Dreaming about it? Then do it with the 2010 Gauteng HOMEMAKERS Expo.
