Many South Africans find themselves destitute with no other alternative than to bravely face the bitter cold outside. You can make a difference by making a donation, to help keep someone warmer this winter with East Coast Radio's Winter Warmth 2010 campaign.

Even in the midst of winter, Durban has always been lucky enough to boast sunny skies. There are however tens of thousands of people throughout KwaZulu-Natal that are not so fortunate. Each winter east coasters do their bit by contributing blankets and cash to those feeling the harsh impact of winter. Last year, your donations kept 42 000 people alive in our province and we look forward to that warmth and support again this year.

Making a difference is simple - blankets or cash can be dropped off at East Coast Radio or The Hub. Online donations can be made on www.ecr.co.za and cash can be directly deposited into the Winter Warmth bank account.

Blankets can also be purchased at all The Hub stores and you can make your cash donation there too. As a bonus - for every blanket you donate, you get 10% off your next purchase at The Hub.

Help keep someone in need warmer this winter with East Coast Radio's Winter Warmth 2010, proudly brought to you by The Hub. For only R35, your generosity could save a life and will protect someone from the cold this winter.
