Weekends are bound to be infused with a whole lot of new energy for East Coast Radio listeners. Ian Fraser, better known as IanF has been part of SA's burgeoning radio culture for 17 years and now takes over the Weekend Breakfast airwaves every Saturday and Sunday morning, 6am to 10am on East Coast Radio as of 1 Jan 2011.

IanF spent 15 years in radio broadcasting while based in Johannesburg and then in 2008 took a two-year hiatus from the industry to work in the UK and expand his horizons.

Ian finally saw the light... or was that the sun and moved back to South Africa in 2010. A passionate radio person, Ian has been involved in radio in one way or another now for over 17 years and has no intention of giving it up...EVER!

Speaking on his new appointment to the Weekend Breakfast slot on East Coast Radio, Fraser said "I have always enjoyed listening to East Coast Radio and now to be a part of it is VERY exciting! I am thoroughly thrilled at the opportunity to wake people up on Saturday & Sunday mornings and hope that they embrace the positive energy that will be coming their way!"
