Although not essential to entries, results, sound strategy, consumer insights and proven return on investment, will add credence and are welcome.

Elevating the 6th annual Roger Garlick Award to a new level of excellence, the Advertising Media Association of South Africa (AMASA) has introduced media categories into the 2005 Roger Garlick Award. The introduction of categories not only offers entrants a broader selection of opportunities, but also allows for entries into multiple categories and assists the judging panel in evaluating like campaigns in each category.

Categories for the 2005 Roger Garlick Awards are:

1. Best use of Television
2. Best use of Cinema
3. Best use of Radio
4. Best use of Magazine
5. Best use of Newspaper

8. Special Events / Stunts - including "never used before media"
9. Multiple / mixed media

In addition AMASA has elected to introduce AMASA Gold Awards to the proceedings. While there can be only one winner who will walk away with the much-coveted Roger Garlick Award, entrants into the various categories stand a chance of being honoured with an AMASA Gold Award, which will be awarded to those entries deemed by the judging panel, worthy of acknowledgement.
