In their continuous drive to promote safety on the roads, leading wheel and tyre chain, Tiger Wheel & Tyre, has teamed up with Discovery VitalityDrive™ to reward participating customers for having an annual Multipoint vehicle safety check.

Discovery VitalityDrive™ members can earn up to 250 VitalityDrive™ points (also referred to as Driver Quotient points or DQ points) when they visit their nearest Tiger Wheel & Tyre to have their vehicles inspected for all the road-safety essentials. These include the likes of roadworthy tyres, wheels, windscreen wipers, lights, hazards, seatbelts, steering, hooter checks and an inspection on shocks.

The Multipoint vehicle safety check serves as a great advantage to all drivers and is yet another pro-active approach by Tiger Wheel & Tyre and Discovery VitalityDrive™ to enhance safe journeying on our local and national roads. Depending on a member's VitalityDrive™ status, he/she can cash in on some extra perks which include cash-back rewards of between 8% and 15% when purchasing new wheels and tyres, using their DiscoveryCard.

Tiger Wheel & Tyre Marketing Executive, Joe du Plooy is excited about this new venture, adding, "Our co-venture with Discovery VitalityDrive™ is a winning formula for both brands as well as for all vehicle owners out there. Together we can do more to promote peace of mind on the roads, and reward our drivers out there for their road-safety efforts."

Discovery VitalityDrive™ members wishing to take advantage of this beneficial offer are reminded to bring along their Discovery Insure membership card when they visit any Tiger Wheel & Tyre nationwide, to complete their Multipoint vehicle safety check.
