

# Scan Display takes five EXSA Awards

Issued by [Scan Display](#)

14 Nov 2011

The Exhibition & Event Association of Southern Africa (EXSA) held its annual awards evening on Thursday 3 November 2011, at the Sandton Convention Centre. The EXSA Awards are the only awards in South Africa to recognise excellence in the exhibition industry, commending the best custom and system exhibition stand designs, the best trade and consumer exhibitions, and the best supplier, venue and organiser.

This year Scan Display was honoured to receive the following EXSA awards:

- Best Custom Built Stand in the 12m<sup>2</sup> & under category - for the Scan on Show stand at Meetings Africa
- Best Custom Built Stand in the 101 to 200m<sup>2</sup> category - for the Three Cities stand at the Tourism Indaba
- Best System Built Stand in the 51 to 100m<sup>2</sup> category - for the Alcon stand at the OSSA Congress
- Best Supplier Company. Scan Display was awarded this jointly with 3D Design

Scan Display's joint venture with event organisers, On Show Solutions, and Tau Management (Scan On Show) was also recognised at the EXSA awards. Scan On Show was named the Best Trade Exhibition in the 3 000 to 6 000m<sup>2</sup> category, for Meetings Africa 2011.

Justin Hawes, MD of Scan Display, says: "I am very proud of the Scan team for all their hard work during the year, and am glad for the recognition they have been given through these prestigious awards."

He adds: "I am especially proud to receive the Best Supplier award, as it is voted for by the venues, organisers and other important players in the industry. It means they enjoy working with us and believe we offer professional service. That's exactly what we are about as a company - being Value Creators™."
