2012 is a brilliant year to be living on the East Coast of South Africa. Aside from all the usual benefits of the region's laid-back lifestyle, it is jam-packed with fantastic events.

Some of the exciting signature family events to look out for in 2012 include the Discovery East Coast Radio Big Walk and Mini Big Walk in May, East Coast Radio House and Garden Show in June and East Coast Radio Durban Day in September.

For the music fans, February's 80's Rewind Festival and Roxette in June will both be incredible trips down memory lane. The major international acts are going to be nothing short of a blast from the past.

Other highlights include the Gibbs Business Breakfast and the Comedy Cruise which are both in March. Another Funsunzi event, which was hugely successful last year and will again be staged this year, is Flip-Flop Friday in September!

November sees a great new event on the calendar - Catch a Million. This massive family weekend will be a fishing contest worth winning. The person who lands the right fish will literally have caught a million rand! Sportswave Golf Day in October is another event for sporting fans.

Winter Warmth between May and July and Toy Story between October and December are both an opportunity for East Coasters to reach out to those around them.

This 2012 - together with East Coast Radio - the people of KwaZulu-Natal can make great memories, challenge themselves and even become agents of change.
