Once there, take a turn at Scan Display's massive 84m² stand in Exhibition Hall 2, where Scan will be featuring its range of products and services for exhibitions, events and retail displays. The stand will also be a platform for showing the company's newly-launched logo, running a competition for an iPad mini, and serving up complimentary coffees - whipped together by the coffee experts, Grind Mobile Coffee.

Other attractions at Markex include the Unique Speaker Bureau's series of talks, the Loerie Awards Travelling Exhibition and an Integrated Marketing Village.

To pre-register for the show, go to www.markex.co.za and click the 'Register Now' button on the top right of the page. There is no cost to attend if you pre-register.
