A true gem in the Martial Arts world of South Africa, Shuaimeng Liu is one of three Shaolin trained instructors in the country. Making waves in the martial arts community and setting a new standard in SA, SMA has moved to a state of the art gym in the heart of Rivonia, allowing them to scale up on the number of classes and disciplines that they are able to offer.

The newest of these disciplines is Mixed Martial Arts, MMA. This exciting discipline is taking the world by storm. By offering this, in combination with the traditional forms of martial arts, SMAC is now in a position to cater to those in search of a holistic, spiritual form of training as well as the straight-up cross fitness experience.

The rebranding, which includes web development, social media management, signage, and interior design is set to help propel this unique martial arts centre to new heights.
