Full Stack Developer

Location:	Pretoria
Remote work:	Some remote work allowed
Type:	Permanent
Reference:	#PM58625
Company:	[E-Merge IT Recruitment](#)

Are you passionate about pushing the boundaries of technology and creating innovative solutions? Look no further! My client is a leading future enablement partner, specialising in product and software development, digital transformation consulting, and enterprise solutions deployment for international clients.

As a Microsoft Gold partner and proudly South African company, they take pride in their commitment to excellence and innovation. Join my client in expanding automation and integration team and embark on an exciting journey as a Full Stack Developer (.NET).

This role offers a unique opportunity to work on technically challenging projects tailored to client needs, ensuring a diverse and dynamic work environment. You'll be at the forefront of web and mobile application development, utilising your strong and proven experience to drive impactful solutions forward.

Core skills required:

- Proficiency in C# and .NET Core
- Strong SQL skills for database management
- Solid understanding of JavaScript and HTML
- Experience with MVC architecture
- Familiarity with Angular or Blazor frameworks

Beneficial skills:

- Azure server-less cloud development expertise
- Experience setting up DevOps pipelines in Microsoft Azure DevOps
- Knowledge of SharePoint or K2 platforms

The Reference Number for this position is **PM58625** which is a **permanent hybrid position** based in **Pretoria** offering a cost to company of up to **R1m per annum** negotiable on experience and ability. Contact Phindi at phindilem@e-merge.co.za or call her at 011 463 3633 to discuss this and other opportunities.
