

One-eyed Jack secures 2 new clients

One-eyed Jack has acquired two significant clients. It was selected as the event management agency after a competitive four-way pitch for Audi's relaunched advanced driving skills experience.

One-eyed Jack will also lead PR and media relations for Ultra South Africa's highly anticipated 2024 edition. Building on the record-breaking success of Ultra South Africa 2023, the festival will make a comeback in March 2024, featuring two major events in Cape Town and Johannesburg.
