MyGaming.co.za is under new management, with high-quality gaming content and news set to grace the website daily.

Jan Vermeulen will serve as commander at MyGaming, with assistance from senior staff members and two new journalists Jamie McKane and Ryan Brothwell joining him in the trenches.

Jeremy Proome and Marco Cocomello will continue to contribute to the site, so readers can expect tons of gaming, hardware, and tech news on MyGaming from now on.

There will also be regular competitions, a new daily newsletter, and more conversations in the forum.

"In short: we are going to make MyGaming a website you look forward to visiting every day," Jan Vermeulen said.

"Over the past 12 months, Clockwork Media managed MyGaming's News section, and we would like to say thank you to them for keeping the site up to date with the latest news and gaming developments, and all the great work they put in while at the helm."
