

Ads24 Food for Thought 2018

Ads24 hosted its second annual Food for Thought event on Tuesday, 22 May at The Park House of Events on 7 in Johannesburg.

Professor Nick Binedell, who spoke at last year's event, emceed this year as 'dialogue director', with two keynotes by economist Dawie Roodt and scenario planner and futurologist Clem Sunter, followed by a discussion panel on the current and future state of the global economy.

The thought that went into the event extended the topics of discussion to the finer details, some of which are visible in the images above. It certainly lived up to its name and provided some 'padkos' for the road that lies ahead.
