Local pork producer, Lynca Meats, has launched its first factory shop in Meyerton, Gauteng. The new factory shop will serve both small and large businesses as well as the general public, with products available by the unit, case, or even pallet.

Launched in 1988, Lynca Meats processes over 360,000 pigs a year to create pork products - all 100% home-grown and South African-produced. The Lynca Factory Shop officially opened its doors on 26 March.
