

ManleySocial wins Blue Amber account

Communications agency, ManleySocial, has announced that it now represents Blue Amber, a first-of-its-kind residential and resort development in Zanzibar.

Blue Amber is a groundbreaking development that redefines lifestyle and hospitality in East Africa as a result of its presence as the region's most significant property development. This development boasts luxury and eco-sustainable residential homes, making it the largest residential and resort project of its kind in East Africa.

Blue Amber will also feature Zanzibar's premier island resort hotel; Shirazi Resort & Villas, which will be managed by Newmark Hotels and Reserves.
