

Between 10and5 to host online auction in support of Bag Factory

Between 10and5 and Bag Factory have partnered to host an Instagram Auction to raise funds so that the artistic organisation can carry out essential roof repairs for it to continue to fulfil its core vision and programme activities following serious water damage caused by heavy rains.

The Bag Factory is calling on the community to help restore it to its former glory by donating an original piece of work that will be auctioned on 10and5's Instagram, and artists, photographers and creators able to help to please submit their work for the auction.
