

The Reddam House Durbanville Class of 2023 earns 126 distinctions in Cambridge International exams

The Reddam House Durbanville Class of 2023, which included fifty AS Level students, achieved 126 subject distinctions. Out of the six A Level students, one received distinctions in all four subjects.

The Cambridge International A Levels and AS Levels are intended to push students academically and prepare them for further study, both are part of the school's dual curriculum, which also includes South Africa's Independent Examinations Board.

Notable achievements among AS Level students include a 92% pass rate, 126 subject distinctions, 22 A averages, and nine students attaining above a 90% aggregate average, culminating in a 77% overall group average. The six pupils obtained a 71% aggregate average in their A Level examinations.
