

ShopCreatify joins Realm Digital

ShopCreatify has joined South African software development and consulting company, Realm Digital.

ShopCreatify design, build and customise performance Shopify stores, with a particular focus on goal-driven activities.

"ShopCreatify coming under the umbrella of the Realm Group will enhance Realm Digital's Shopify capabilities. We believe this is an opportune time to go to market together, as customers can leverage ShopCreatify's Shopify expertise, alongside Realm's strong and proven development, integration and consulting capabilities", says Realm Digital CEO, Simon Bestbier.
