

Cannabis Expo postpones CT event

The Cannabis Expo Cape Town has been postponed after President Cyril Ramaphosa declared a state of disaster in South Africa in light of the coronavirus or Covid-19. The expo was scheduled to take place from 19 to 22 March 2020; a new date will be announced in due course.

“The safety of our exhibitors, staff and visitors to the expo is our absolute priority,” says expo director Silas Howarth. “We respect the government’s decision, putting stringent measures in place to contain the spread of Covid-19, and as such have postponed the Cape Town event.”
