See: Lenux hybrid-only IS sedan line-up revealed in SA

Lenux has revealed its new re-imagined 2021 Lexus IS sports sedan for the South African market and for the first time, the IS will only be available as a hybrid model.

Lexus launches three model grades in hybrid: IS 300h EX, IS 300h SE and IS 300 F Sport.

The IS model is powered by a petrol-hybrid 2.5 litre engine that produces power of 133kW and consumes a combined 5.2 litres per 100km.

The 2021 Lexus IS is offered in a palette of 10 exterior colours to accentuate its stunning lines. Three of those colours - solar storm red, poseidon blue and white nova are exclusive to the F Sport. The EX and SE have an additional two exclusive colours - white quartz and morello red.

The Lexus IS models retail from R841,300 for the EX grade, R899,800 for the SE grade and R916,000 for the F Sport. The entire IS range boasts a best-in-class seven-year/105 000km warranty and full maintenance plan.
