

See: Introducing the all new Kia Pegas

The Kia Pegas has arrived in South Africa. It's equipped with a 1.4-litre multipoint injection petrol engine that produces 69kW and 132Nm.

The sedan boasts an overall length of 4300mm and is offered in five exterior colours: clear white, titanium silver, blue stream, marcato red and aurora black pearl.

It has leather seats, intelligent cruise control, power locks, power windows, steering wheel windows and manual A/C.

The Pegas comes in at R225,995 for the LX, R236,995 for the EX with the five-speed manual and R251,995 for the EX with a four-speed automatic transmission. All Pegas models ship as standard with Kia's unlimited kilometre, five-year warranty, inclusive of roadside assistance, as well as a prepaid four-year/60,000km service plan.
