We have worked hard, and we look forward to showing the Portuguese community within South Africa what we can do. I have no doubt that most of our squad will receive some game time on the day, so that they feel loose and ready for the challenge that lies ahead. On behalf of the club I would like to thank all of the supporters that will be cheering us on at the BIDVest Stadium - we are looking forward to playing against the strong side of Mozambique."

it is important for BIDVest to show both communities that we are here for them and thank them for all that they have done for us and our country. May the next two months bring nothing but joy, laughter and pleasurable experiences for the whole of South Africa, so that the rest of the world can see what we are made of!"
