Inspired by the festival's #BRINGYOURFIRE call to action for positive social change, MTN Bushfire continues to support our beneficiaries, Young Heroes and boMake Rural Projects, in their ongoing Covid-relief efforts in Eswatini, with a donation drive around the digital festival. Young Heroes supports children and youth orphaned or made vulnerable by HIV/Aids, while boMake Rural Projects uplifts rural communities through empowering women artisans and making clean water accessible.

Free digital passes can be claimed via [mtnbushfire.howler.co.za/DS2021](https://mtnbushfire.howler.co.za/DS2021).
