"Hot 91.9FM is about *fun* radio with the purpose of making a meaningful difference in the lives of those around us," says founder and station managing director Lloyd Madurai.

Award-winning

For four years in a row, Hot 91.9FM has scooped the prestigious Station of the Year award at the South African Radio Awards. This is a landmark achievement considering the station has won this award every year since 2017.

Added to this, Hot 91.9FM won another eight awards including the My Station accolade which is given to the radio station with the most loyal listeners. The litmus test for any radio station is its appeal to its audience. Station loyalty is of paramount importance to a radio station and is perhaps the most important aspect of broadcasting.
