

Grumpy Cat dies at age 7

NEWSWATCH: Tardar Sauce aka Grumpy Cat has died at age 7. The feline was an American internet celebrity, known for her permanent frown.

Tardar Sauce aka Grumpy Cat | Twitter

A post on Grumpy Cat's official Twitter page says she experienced complications from a urinary tract infection and passed away peacefully on Tuesday in her owner Tabatha Bundesen's arms.

This cat could make more money from one tweet than you do at your day job

Bundesen posted a photo of her six years ago, reports [IOL](#), after which she went on to appear on magazine covers, television advertisements and even starred in her own movie *Grumpy Cat's Worst Christmas Ever*.

"Grumpy Cat has helped millions of people smile all around the world - even when times were tough," the family said. "Her spirit will continue to live on through her fans everywhere."
