

ALL THE WINNERS!

This year's Prism Awards took the form of a short online segment as the ceremony was cancelled in March 2020 due to concerns of the spread of Covid-19...

Host and TV presenter Thabiso Makhubela

"Innovation and evolution are an everyday norm in our industry. The current health crisis has indeed forced us all out of our comfort zones, and innovative thinking and ideas is what will keep us moving. We had to focus on finding a way to still acknowledge all those who had entered the awards and also to celebrate the winners. We do hope that everyone enjoyed the show," said Palesa Madumo, convenor of the Awards.

100% black woman-owned agency, The Riverbed, were announced as the biggest winners for the South African Campaign of the Year category, for their Underage Drinking campaign.

This year, the awards introduced some new and exciting categories. Amongst them is the Prisms Young Voice of the Year Award, aimed at recognising the awesome contributions made by the young people in the industry. Simbongile Ndlangisa was announced as this year's winner.

"Congratulations to all the winners and a huge thank you to each and every individual, consultancy and NGO that entered this year. We look forward to doing this again next year and celebrating our industry's amazing work," continued Madumo.

Madumo concluded: "Thank you to Vuma Reputation Management, Bizcommunity, Off The Shelf, Space, Flow Communications, Cookie Mylo Studios and of course our incredible host, Thabiso Makhubela for the continued support and making the announcement and production possible."
