DIGITAL COLOR PRINTER  
11" x 17" / A3

**Mission-critical printing for industries that rely on speed and efficiency.**

The Printronix LP844C gets the job done, enabling you to get on with yours.

Affordable, versatile, and built to deliver high-quality results, the LP844C provides professional tabloid/A3-sized high-definition colour output at speeds that meet the demands of your business.

With media handling capabilities that are unmatched in their class, the LP844C adapts to the specific needs of your business. Multiple paper trays allow for expansive paper handling capabilities, fitting up to 2,540 sheets, and easily handle substrates with weights between 64 and 256gsm. This gives users endless production abilities in-house, on demand.

The versatility and straight-through paper path make it effortless for users to run ultra-thick sheets for labels in one moment and print full-colour customer-facing documents the next, making it the most powerful compact-sized industrial printer in the market.

The LP844C is a game-changer for businesses, consistently delivering high-performance results for the most demanding industrial environments. And with its unique tabloid/A3 media capabilities and world-class service and support from

Printronix, users can increase uptime and enable continuous movement in business-critical situations.
