

Second Box Shop opens in Midrand

A second Box Shop was opened at Shanty Town in Midrand, Johannesburg. The Box Shop is an 'access to market' initiative aimed at helping emerging black creative businesses create jobs, while supporting the goals of the Gauteng Township Economy Revitalisation Strategy.

Since opening in Soweto, The Box Shop has helped 92 emerging black businesses design, manufacture and supply a wide range of high-quality lifestyle goods, like fashion, food and furniture, to the many people who come to Vilakazi Street to see where history happened.
