▣ *Where do you live, work and play?*

I'm in Cape Town, in the city centre, and our office is in Stellenbosch

▣ *What's really behind your selfie?*

A very happy person after a long week selling cheese, yoghurt and milk!

▣ *Tell us some of your few favourite things.*

The outdoors (hiking, trail running), road trips and discovering new places, spending time with family and friends, drinking Steri Stumpie and eating SA's No1 cheese, Parmalat, reading, listening to podcasts, and trying to become a better cook!

▣ *Describe your career so far.*

After studying at UCT, I started at Nielsen, which was a great place to learn all about the FMCG world.

Then I went to the UK and worked at Unilever for five years in brand management. I've now been at Lactalis (Parmalat) for the last 11 years, working across the business in various marketing and sales roles.

I currently oversee the company's marketing and trade marketing activities. And I've got a fantastic team - I think we're doing some really awesome things.

🎯 **What are you streaming/reading/listening to right now?**

I just read *Never Split the Difference* by Christopher Voss. He was the FBI's lead hostage negotiator and he's got some great tips on negotiation! I'm also really enjoying Malcolm Gladwell's *Revisionist History* podcast, and I'm binge-watching the new season of *Narcos*!

🎯 **What's your favourite gif?**

Anything with Dwight from the Office!

□

🎯 **If we took your phone and scrolled through it now, what would we find?**

Too many pictures of the dairy shelf.

🎯 **Do you have any secret talents?**

If I told you, it wouldn't be a secret

🎯 **What are some of your best loadshedding survival tips?**

Stock up on Parmalat Custard because then at least you'll have dessert!
