2018 Cape Town HOMEMAKERS Expo on from 30 August to 2 September at the CTICC

The annual Cape Town HOMEMAKERS Expo, on from 30 August to 2 September at the CTICC, is the Western Cape's most trusted exhibition for everything décor, design, lifestyle and DIY – *for real homes*. Whether your interest is in what's trending in home improvement, enhancing your outdoor living space, refreshing your interiors or creating a beautiful kitchen or bathroom, we bring the best industry experts together under one roof.

Packed with inspirational ideas and features, including highlights such as the tuis | home theatre, Interior Spaces, d'Vine life, truly Artisan, the Workshop, and two Design Challenges, the expo will offer everything your heart desires for your home and garden projects.

The tuis | home theatre will be back in action. Watch the tuis | home experts as they present hands-on DIY, home makeover and foodie workshops... your practical guide to beautiful living.

The Interior Spaces feature area will show how trendsetting interior gurus create their ultimate space – showing off bespoke décor, fabrics and cutting-edge design.

One of visitors' favourites - d'Vine life – where local is lekker, will again be the place for avid foodies to taste artisanal gourmet treats, find out more about the latest food fads, the best wines the Cape has to offer, as well as handcrafted beer and gins.

A collection of functional and decorative handcraft in truly Artisan - skillfully made by local artisans – will range from homeware, ceramics and leather goods to design, art and custom jewellery.

The Workshop will offer a creative space for craftsmen, makers and designers to engage with visitors and demonstrate their skills. Definitely not to be missed, so look out for the daily programme.

Back by popular demand, two Design Challenges will see designers battle it out for the ultimate prize. The first will be all about Interior Design and the second, focused on Product Design. Watch the press for details on how to enter.

Says Sandy Edwards, HOMEMAKERS Branch Manager and Expo Organiser – Cape Town: "Regardless of your age, type of home, requirements or dreams, we'll have it all at the show. Whether a shopper, inspiration seeker or DIY enthusiast, it's all about real homes for real people!"
