

Entries open for 2022 Encounters Documentary Festival

The organisers of Encounters are calling for feature, mid-length, and short documentary film entries for the 2022 edition of the Festival.

Encounters is returning to celebrate the best of independent filmmaking for the 24th-anniversary edition with a multi-platform event from 23 June to 3 July 2022.

The Festival discovers and showcases the best documentaries from talented filmmakers spanning South Africa, the broader African region, and the rest of the world. The line-up of award winners and nominees, hidden gems and the most talked-about documentaries of the year will engage, entertain, and inspire South African audiences.

The Festival programmers are looking for films that tackle current issues from unique perspectives, take audiences on a journey of discovery and innovate the genre form.
